

AW 030

Release: 30.10.2003

CD(72.00 min)

„Organic Cloud” (Tetsu Inoue)

One more time Tetsu Inoue gives you the right portion of chill-out. It's the second solo album which AW releases from him. Although still a perfect chill-out-album it differs quite much from what he has done before (for example "Ambiant OTAKU"). The whole CD is more changing, more moving, it grows and develops and even brings some slight beats with it.

CD Tracks: The Night in Goa 16.27
 Journey to Ixtlan 12.51
 Chill in Chill out 12.56
 Ring of Power 16.17
 Bionic Commune 12.56

Environmental Chill-out from Tetsu Inoue
